INT. NEWSROOM - NIGHT

An anchorman and anchorwoman are seated at a desk.

ANCHORMAN

Welcome to the eleven o'clock news beginning tonight with a special update on the search for Osama Bin Laden.

ANCHORWOMAN

It has recently come to our attention that President George W. Bush does not have the ability to count to 100 and this has led to the ineptitude in finding Bin Laden. In order to explain things in the simplest terms, Vice President Dick Cheney told G.W. that finding Bin Laden is just like a game of hide and go seek.
