COLD OPEN

FADE IN:

INT. BATHROOM - NIGHT

No one is in there.

LOIS (O.S.)
I want faces washed, teeth brushed
and all of you in bed in five
minutes.

DEWEY ENTERS the bathroom.

He turns on the water, and just stares into the mirror.

LOIS (O.S.)
Washed and brushed Dewey.

Dewey fills A CUP with water, gargles loudly and quickly spits it back into THE CUP. He passes MALCOLM as he LEAVES.

Malcolm scrubs his face and pops a pimple.

LOIS (O.S.)
Hustle in there.

Malcolm grabs his toothbrush, brushes rapidly and spits back into THE CUP. He rushes out, as REESE intentionally bumps into Malcolm as REESE ENTERS.

Reese takes the toothpaste and spreads it above his lip to look like a moustache.

LOIS (O.S.)
Let's go!

Reese wipes the toothpaste from his lip with his finger and places it onto his tooth brush. He brushes and spits into THE CUP.

Reese passes Hal as he exits.

Hal decorates his face with a toothpaste peace symbol, looks at himself in the mirror and gives a peace sign.

LOIS (O.S.)
Come on, honey!

Hal rinses off his face and brushes his teeth. He goes to rinse, using the contents of THE CUP, and just before it's too late, he does a spit take and slams down THE CUP.
